Lake Irish

Section - Township - Range
35-19-29

EXPLANATION:
Assessment Date: July 2, 2002.
Lake water level was 40.62 feet above sea level when the lake was assessed. Contours are expressed in absolute depth below this level and may not exclude the presence of submersed aquatic vegetation.

DATA SOURCES:
April 2000 georeferenced Color Infrared Digital Ortho Quarter Quads (DOQQs) obtained from Seminole County GIS Division. All contours generated by Florida Center for Community Design and Research based on GPS/Sonar data provided by the Seminole County Stormwater Division.
