

Lake Brantley Shoreline Restoration!

Seminole County Watershed Management & the SERV Program invite you to participate in a shoreline restoration project. Join us and help plant shoreline vegetation to improve ecosystem function, habitat, and water quality!

Saturday, April 13th, 2013
9 am - 12 pm

- Please plan to get muddy and wet during planting!
- Gloves, hat, old clothes, closed-toed shoes & sunscreen recommended
- Event kick-off location: **219 Palmetto Concourse, Longwood 32779**
- To register, please call 407-665-2457 or email serv@seminolecountyfl.gov
